

Hello Angel Network Family,

It is that time of year again where school is right around the corner. This year The Angel Network would like to help families with back to school shopping. These items include clothes, shoes, school supplies, anything your child may need to start the school year off!

Please let us know if you are need of any items for your child to go back to school. Please check the list your child sent home with you and include that information in the letter if possible. If you have misplaced your letter, you may find school supplies on the Cooperstown Central School website or you can contact the main offices to ask for a new list. We want to ensure every child starts the school year off with everything they need.

Please return this letter by email or it may be dropped off at the High School office Labeled Stephanie Nelen by August 25th. This will allow shoppers to go out and buy what is needed for the start of school. If you find after school has started that other supplies are needed, please let Stephanie know.

Child #1 Name:

Child Grade/Teacher:

Child Shirt Size:

Child Sweatshirt Size:

Child Pant Size:

What type of pants do they prefer: jeans sweatpants khakis
